

SWISS LADIES TEAM

Join the «Swiss Ladies», Switzerland's first all-women's wheelchair basketball team!

Whether you're an experienced player or just curious to try wheelchair basketball, we'd love to have you on board. Through our regular training weekends, we develop our skills, grow as a team, and push each other to improve. We compete in the Swiss League and take part in tournaments throughout the year, giving us plenty of opportunities to challenge ourselves and have fun.

If you're passionate, there's no limit to how far you can go! With dedication and hard work, you could even make it to the national team—maybe one day, you'll represent Switzerland on the international stage.

What are you waiting for? Join us and start your adventure—the team is waiting for you!
